Executive Luncheon

PMO: The Lifeblood of Organizational Change

Welcome back to our annual Professional Development Days. In this one hour event, the speaker will share their insights on how to optimize the use of PMO's for best organizational outcomes. They will discuss a mature PMO's transformation to adapt to digitization, Agile and Globalization trends, and its impact on the organization.

About M Health Fairview

M Health Fairview is an academic healthcare system located in the Twin Cities as well as outstate Minnesota. It is a partnership between University of Minnesota, University of Minnesota Physicians, and Fairview Health Services, there are more than 10 hospitals and 60 clinics affiliated to the system.

With more than 34,000 employees, 3,000 providers and 100-plus specialties, M Health Fairview combines the University's deep history of clinical innovation and training with Fairview's extensive roots in community medicine.
